

Conceptual Removal Design/ Removal Action Work Plan for Lyman Street Area

Table of Contents

Volume I of V

Section 1 Introduction
Section 2 Summary of Pre-Design Activities and Available Soil Data
Section 3 Summary of PCB and Appendix IX+3 Evaluation Procedures
Section 4 PCB and Non-PCB Soil Evaluations
Section 5 Preliminary Design Information and Future Design-Related Activities
Section 6 Schedule

Figures

1-1 Removal Action Area
1-2 Site Plan
2-1 Soil Sample Locations
4-1 Preliminary Soil-Related Response Actions
5-1 Groundwater-Related Components at Lyman Street Area

Appendices

Appendix A Boring Logs
Appendix B Data Validation Report for Supplemental Soil Samples Collected
December 12, 2003

Volume II of V

Appendix C Summary of Analytical Data for All Samples Used in Evaluations

Volume III of V

Appendix D PCB Spatial Averaging Evaluation Tables and Polygon Maps

Volume IV of V

Appendix E Non-PCB Appendix IX+3 Evaluation Tables

Volume V of V

Appendix F Risk Evaluation of Non-PCB Appendix IX+3 Constituents in Soils at
Properties within the Lyman Street Area
